It should be noted that if the property is empty, you are still required to make the full monthly mortgage repayments.

The loan is based solely on the rental income derived from the letting. Therefore, the condition of the property must be satisfactory requiring no essential items of repair.

- Completion must take place on or before 30 September 2021. Please note that if your mortgage does not complete by 30 September 2021, you will not benefit from the fixed rate period quoted.
- As interest is calculated on a daily basis, any overpayments you make will immediately reduce the amount you owe and the amount of interest you pay.
- At the end of the fixed rate period the rate will revert to the Society's Standard Variable Rate applicable at that time which will not fall below 3.00% at any time during the life of the mortgage.

Your investment property may be repossessed if you do not keep up repayments on your mortgage

Loan:

- Maximum loan £1,000,000.
- Minimum Property Value is £50,000.
- Maximum loan to value 75% (including any fees added to the loan). Loan to value is your total mortgage amount divided by the purchase price, whichever is the lower.
- From time to time, the Society's lending criteria may restrict the maximum loan to value available for new lending. During these times, the maximum loan to value available for additional borrowing or purchase applications could be lower than those listed above. Please ask for more details.

Fees/Charges:

- Early Repayment Charge: If the mortgage is repaid either in whole or in part or is transferred to an alternative product before 30 September 2026 then an early repayment charge will apply. This charge will be based on; 5% of the outstanding loan if the mortgage is repaid before 30 September 2022, 4% of the outstanding loan if the mortgage is repaid before 30 September 2023, 3% of the outstanding loan if the mortgage is repaid before 30 September 2024, 2% of the outstanding loan if the mortgage is repaid before 30 September 2025 and 1% of the outstanding loan if the mortgage is repaid before 30 September 2026. Representative Example (based on a Non-portfolio Investment Property):

The Annual Percentage Rate of Charge (APRC) varies with the circumstances of each mortgage. Here is a representative example of a loan secured on your investment property: A mortgage of £125,000.00 on an interest only basis payable over 25 years initially on a fixed rate for 5 years fixed at 2.16% and then on our Standard Variable Rate (SVR) of 5.19% (variable) for the remaining 20 years you would pay:

1 monthly repayment of £7.40, followed by
60 monthly repayments of £224.61, followed by
240 monthly repayments of £538.37
1 final repayment of £125,000.00

The total amount payable would be £267,832.80 made up of the loan amount of £125,000.00 plus interest (£142,692.80) a funds transfer fee of £20 and legal fee of £120. The overall cost for comparison is **4.4% APRC** representative.

Please note: the example above is for an investment property purchase only and assumes a payment date of 1st of the month. If you choose to pay your mortgage later in the month this will affect payments and could result in a higher APRC. For product transfers, re-arrangement and additional borrowing applications, certain fees do not apply. Please speak to your mortgage adviser for further details.

Buy to Let Fixed Rate Portability Leaflet

This product is subject to an early repayment charge if the loan is repaid in full or in part or is transferred to an alternative product up to and including the date stated in the product terms and conditions.

The mortgage product you have chosen is portable. This means you can retain the benefits of the product even if you change your investment property.

You can transfer the balance from your current Buy to Let mortgage account to a new Buy to Let mortgage account secured on your new investment property. The terms and conditions that applied to your Buy to Let mortgage product will continue until the end of the early repayment charge period. If you do not wish to transfer your Buy to Let mortgage product, an early repayment charge will be payable on the amount which is not transferred and you will then be in a position to choose an alternative product.

If your new Buy to Let mortgage does not start at the same time as the full repayment (redemption) of your current Buy to Let mortgage, an early repayment charge will be payable. If a new Buy to Let mortgage application is received for porting this mortgage product within 3 months of the full repayment (redemption) of your current mortgage the early repayment charge will be refunded on completion of the new mortgage. If you take out a new Buy to Let mortgage at a later date, you will then be in a position to choose an alternative product. The early repayment charge previously paid will not be refunded.

If your new Buy to Let mortgage is less than your current Buy to Let mortgage, you can transfer the amount you need and an early repayment charge will be payable on the difference. If you increase your borrowing at a later date, you can choose an alternative mortgage product for the additional borrowing that you require (subject to product terms and conditions). The early repayment charge previously paid will not be refunded.

If your new Buy to Let mortgage is more than your current Buy to Let mortgage, you can transfer your Buy to Let mortgage product and choose an alternative mortgage product for the additional borrowing that you require (subject to product terms and conditions).

You will need to complete a Buy to Let Mortgage Application Form and we will carry out our usual status enquiries and obtain a Valuation Report on the new property. We cannot guarantee to offer you a new Buy to Let mortgage if your personal circumstances have changed, the Society's lending criteria has altered or the property is deemed not to be suitable security. An early repayment charge will be payable if the Society is unable to transfer your mortgage.

Products are only available within England (including Isle of Wight) and Wales and borrowers must be UK residents.
