**Interest Rate:**

<b>5 YEAR FIXED RATE</b>		
Initial Rate	Then changing to our Standard Variable Rate (SVR) currently	The overall cost for comparison is
2.60% fixed until 31 January 2027	5.19% variable	<b>4.2%</b> <b>Annual Percentage Rate of Charge (APRC)*</b>

\* The actual rate available will depend upon your circumstances. Ask for a personalised illustration.

- Completion must take place on or before 31 January 2022. Please note that if your mortgage does not complete by the 31 January 2022, you will not benefit from the fixed rate period quoted.
- As interest is calculated on a daily basis, any overpayments you make will immediately reduce the amount you owe and also the amount of interest you pay.
- At the end of the fixed rate period the rate will revert to the Society's standard variable rate applicable at that time which will not fall below 3.00% at any time during the life of the mortgage.
- The Society reserves the right to withdraw the fixed rate if you cease to occupy the property as your main residence. The Society's standard variable rate, applicable at that time, would then apply.

This charge will be based on; 5% of the outstanding loan if the mortgage is repaid before 31 January 2023, 4% of the outstanding loan if the mortgage is repaid before 31 January 2024, 3% of the outstanding loan if the mortgage is repaid before 31 January 2025, 2% of the outstanding loan if the mortgage is repaid before 31 January 2026 and 1% of the outstanding loan if the mortgage is repaid before 31 January 2027. Capital repayments, which are not subject to the above early repayment charge, can be made of up to 10% of the original loan amount (original transfer amount if variation) in any 12 month period from the date of completion.
- A product fee of £995 is payable. This can either be deducted or added to the loan, if required. You must positively elect to add the fee to the mortgage loan. Interest will be charged, at the applicable rate, on fees added to the loan.

**Your home may be repossessed if you do not keep up repayments on your mortgage**

### **Representative Example (based on a residential property purchase):**

The Annual Percentage Rate of Charge (APRC) varies with the circumstances of each mortgage. Here is a representative example of a loan secured on your main residential property: A mortgage of £250,000.00 on a capital and interest (repayment) basis payable over 25 years initially on a fixed rate for 5 years fixed at 2.60% and then on our Standard Variable Rate (SVR) of 5.19% (variable) for the remaining 20 years you would pay:

1 monthly repayment of £17.81, followed by  
60 monthly repayments of £1,131.80, followed by  
240 monthly repayments of £1,415.98

The total amount payable would be £408,896.01 made up of the loan amount of £250,000.00 plus interest (£157,761.01), product fee of £995, a funds transfer fee of £20 and legal fee of £120. The overall cost for comparison is **4.2% APRC** representative.

Please note: the example above is for a residential property purchase only and assumes a payment date of 1<sup>st</sup> of the month. If you choose to pay your mortgage later in the month this will affect payments and could result in a higher APRC. For product transfers, re-arrangement and additional borrowing applications, certain fees do not apply. Please speak to your mortgage adviser for further details.

## MORTGAGES

### Fixed Rate Portability Leaflet

This product is subject to an early repayment charge if the loan is repaid in full or in part or is transferred to an alternative product up to and including the date stated in the product terms and conditions.

The mortgage product you have chosen is portable. This means you can retain the benefits of the product even if you move house.

You can transfer the balance from your current mortgage account to a new mortgage account secured on your new property. The terms and conditions that applied to your mortgage product will continue until the end of the early repayment charge period. If you do not wish to transfer your mortgage product, an early repayment charge will be payable on the amount which is not transferred and you will then be in a position to choose an alternative product.

If your new mortgage does not start at the same time as the full repayment (redemption) of your current mortgage, an early repayment charge will be payable. If a new mortgage application is received for porting this mortgage product within 3 months of the full repayment (redemption) of your current mortgage the early repayment charge will be refunded on completion of the new mortgage. If you take out a new mortgage at a later date, you will then be in a position to choose an alternative product. The early repayment charge previously paid will not be refunded.

If your new mortgage is less than your current mortgage, you can transfer the amount you need and an early repayment charge will be payable on the difference. If you increase your borrowing at a later date, you can choose an alternative mortgage product for the additional borrowing that you require (subject to product terms and conditions). The early repayment charge previously paid will not be refunded.

If your new mortgage is more than your current mortgage, you can transfer your mortgage product and choose an alternative mortgage product for the additional borrowing that you require (subject to product terms and conditions).

You will need to complete a Mortgage Application Form and we will carry out our usual status enquiries and obtain a Valuation Report on the new property. We cannot guarantee to offer you a new mortgage if your personal circumstances have changed, the Society's lending criteria has altered or the property is deemed not to be suitable security. An early repayment charge will be payable if the Society is unable to transfer your mortgage.

Products are only available within England (including Isle of Wight) and Wales and borrowers must be UK residents.
