*Pyramid Bonus rates illustrated do not include the 0.5% gross per annum (0.40% net per annum) anniversary bonus payable if you do not make a withdrawal during the preceding 12 month period. Full details of all other investment accounts are available from any branch office of the Society or from the address shown above. Rates are variable. Annual interest is paid 1st January and half yearly interest is paid 1st July. Interest will be paid net of the appropriate rate of income tax (currently 20%, which may be reclaimed by non-taxpayers), or, subject to the required certification, can be paid gross. Net rates are illustrative only and

have been rounded. Tax treatment depends on the individual circumstances of each customer and may be subject to future changes. Gross rate % is the contractual rate of interest payable before the deduction of income tax at the rate specified by law. Net rate % is the rate of interest payable after allowing for the deduction of income tax at the appropriate rate from the gross rate. AER rate % stands for the Annual Equivalent Rate and illustrates what the interest would be if interest was paid and compounded once each year. **Bonus payable subject to product terms and conditions.
