1 The Society's Policy

- 1.1 This leaflet provides information which is applicable to all mortgage accounts with the Society.
- 1.2 In this leaflet:
 - “the Society”, “we”, “us” and “our” refer to Leek United Building Society; “you” and “your” refer to borrowing Members;
 - “working day” means Monday to Friday excluding bank holidays;
 - “calendar day” means any day of the week.

2 Membership

- 2.1 When you take out a mortgage with the Society, you will be a Member of the Society and therefore our Rules will apply. A copy of the Rules of the Society is available on request at any of our branches or on our website.

3 Responsible Lending Policy (Summary)

- 3.1 The Society has a duty to protect itself and its Members from fraud and misuse of the banking system and will, therefore, take steps to confirm the identity of mortgage applicants.
- 3.2 All lending is subject to appraisal of your financial standing and the Society will need to be satisfied that you are able to maintain the proposed mortgage payments along with other outgoings.
- 3.3 Examples of steps taken to appraise your financial standing may include:
 - a) Confirmation of income and permanency of employment which may be obtained by contacting your employer(s).
 - b) Examination of at least two years' trading accounts in the case of self-employed applicants.
 - c) Reference to any other lender to confirm satisfactory payment performance on an existing/previous mortgage or credit arrangement.
 - d) Examination of entries recorded by a credit reference agency. This would identify any previous record of county court judgments or other adverse payment history.
 - e) A structured interview with a Qualified Mortgage Adviser.
 - f) Completion of an Income and Expenditure statement.

4 Availability of Mortgages

- 4.1 Mortgages are available to new customers who fit the following criteria:
 - a) New customers for the purchase or remortgage of their main residential or investment property only.
 - b) Applicants who are employed, self-employed or retired (confirmation of income will be required).
 - c) Applicants who are at least 18 years of age and a UK resident.
 - d) Customers who have houses within England (including Isle of Wight) and Wales which are an accepted type of security.

For information on unacceptable property types, please contact your Qualified Mortgage Adviser.

4.2 Existing borrowers who fit the following criteria:

- a) Product transfer purposes, rearrangement and additional borrowing applications.
- b) As 4.1b)

5 Interest

5.1 Details of the interest rate applicable to your mortgage and how we may vary the interest rate can be found in your Binding Mortgage Offer and in the Society's Mortgage Conditions and Explanations leaflet.

6 What is Annual Percentage Rate of Charge (APRC)?

6.1 The annual percentage rate of charge is a cost measure which facilitates comparisons between mortgages offered on a similar basis. It takes into account the initial rate of interest and other applicable charges, e.g. valuation fee, application fee, solicitor's costs and the amended rate when a discount or fixed rate period ends.

6.2 Mortgage regulation requires lenders to show a second APRC for mortgages which have a variable interest rate at any point during the mortgage term. The second APRC is an illustrative example of the cost of the loan using a 20 year high interest rate.

7 Cashback

7.1 In the event that the product Terms and Conditions specify cashback, this payment is sent to your solicitor on completion of the mortgage on your behalf. If you are an existing borrower this will be paid directly to you.

8 Surveys/Valuations

8.1 A standard mortgage valuation is a basic assessment of the condition and value of the property and is purely for the benefit of the Society.

A more detailed HomeBuyer Report is available to applicants. A HomeBuyer Report is a more extensive assessment of the property, and should be obtained if you wish to investigate the existence of any pre-existing or potential defects in the property. Please refer to the Valuation Fee section in our HomeBuyer Guide booklet for further details.

9 Insurance

9.1 Where buildings insurance is not taken out with the Society we will need to be satisfied, prior to completion, that the insurance cover meets our minimum requirements. Full details of minimum requirements are available on request.

Please be aware that it is not compulsory to take out any insurance policy arranged through the Society.

Your home may be repossessed if you do not keep up repayments on your mortgage.

10 Account Charges

- 10.1 The premiums for insurance, arranged by the Society, may be debited to the mortgage account and will be collected each month as part of the monthly mortgage payment.
- 10.2 Various charges will be payable when you apply for a mortgage. Administration fees may also be incurred during the lifetime of your mortgage. Details of these fees and charges can be found in our Tariff of Mortgage Charges, available on request from any branch, by contacting us on 0800 093 0004 or you can view this on our website at www.leekunited.co.uk.

11 Binding Mortgage Offers

- 11.1 The Mortgage Credit Directive (MCD) requires lenders to provide customers with a Binding Mortgage Offer. A Binding Mortgage Offer may be subject to lawful conditions surrounding its withdrawal or variation, including where there has been a material change in the circumstances related to the Binding Mortgage Offer or where false or inaccurate information has been provided.
The Society considers an Offer to be binding on the date it is issued, subject to conditions.

Lenders are required to provide customers with a reflection period lasting for a minimum of seven days. Our reflection period will last for 10 days and will begin when the Society issues you with a Binding Mortgage Offer.

The purpose of the reflection period is to give you time to review your Binding Mortgage Offer, make comparisons and assess the implications of accepting it and taking out a mortgage. You can accept the Binding Mortgage Offer at any time and waive your rights to a reflection period if you so wish, sending written confirmation to the Society.

12 Portability

- 12.1 If you move home, your mortgage product may be transferred to your new property, subject to the terms of your mortgage offer. Please refer to your mortgage offer for further details.

13 Additional Borrowing

- 13.1 Additional borrowing may be available for a variety of reasons, subject to you meeting the Society's underwriting criteria at the time of application.
The additional borrowing may be repaid over the remaining term of the mortgage or a shorter term.

14 Early Repayment Charges

- 14.1 An early repayment charge may be payable if your mortgage is repaid either in whole or part, or is transferred to an alternative product, before the end of the product term. The charge may be payable on the amount being repaid or transferred.
- 14.2 The percentage charged and the term which the early repayment charges applies to will be indicated in your Binding Mortgage Offer.

15 Joint Accounts

- 15.1 Under the terms of the mortgage, all borrowers are equally responsible for the full mortgage repayment. We do not differentiate on the basis of who is making the mortgage payments. If you have a dispute then please contact us, particularly if one of you moves out of the property and we will arrange to send you duplicate correspondence.

16 Change of Parties

- 16.1 We may agree to transfer a mortgage into a sole name, or to include a new borrower, by way of a rearrangement which would be subject to our normal checks in terms of credit worthiness and affordability. If we cannot agree to a transfer of the mortgage you can still independently apply to the Court to have the names on the property transferred. This is not binding on the Society.

17 New Borrowers

- 17.1 Following the release of the mortgage funds to your solicitors, you will receive information regarding your first and future mortgage repayments. If at any time you have any questions or require any information regarding your mortgage, then please do not hesitate to contact one of the Society's branches, email our Mortgage Administration Department (mort.admin@leekunited.co.uk) or call 0800 093 0004 (please see our Tariff of Mortgage Charges for services which involve the payment of a fee).

18 Existing Borrowers

- 18.1 Existing borrowers may be able to benefit when their present product comes to an end by transferring to another mortgage product, which is available at that time, subject to you meeting the eligibility requirements for the new product.

19 Documents and Disputes

- 19.1 Any documents relating to disputes should be served on the Society at its Customer Service Centre, 50 St. Edward Street, Leek, Staffordshire, ST13 5DL. Please refer to our 'Making sure we get it right' leaflet for information on our complaints procedure.

20 Mortgage Statement

- 20.1 We will issue a statement of your mortgage account annually during January.
- 20.2 You should check all mortgage statements carefully. If there is an entry, which seems to be wrong, you should tell us as soon as possible by emailing mort.admin@leekunited.co.uk, writing to us or by calling 0800 093 0004.
- 20.3 Interim mortgage statements are available upon request.

Your home may be repossessed if you do not keep up repayments on your mortgage.

21 Payment Difficulties

- 21.1 Borrowers who experience financial difficulty in meeting mortgage repayments are asked to make immediate contact with the Society in order to discuss their personal circumstances. A range of options may be available to assist in bringing the mortgage account up to date.

22 Redemptions

- 22.1 If you wish to repay your mortgage in full before the end of the mortgage term, you will need to ask us for a 'redemption figure'. We will need your name and mortgaged property address, mortgage account number and the date on which you think you will be repaying your mortgage. A figure will be calculated and sent to you by post. You may redeem your mortgage at one of the Society's branches. We require one working day's notice to produce a redemption statement for you.

23 Confidentiality of Information

- 23.1 The Society and its staff will observe a strict duty of confidentiality about the affairs of Members and will not disclose any details of Members' accounts or their names and addresses to any third party other than Leek United Group Companies. The only exceptions are:
- a) where the Society is legally compelled to do so;

26 Financial Services Compensation Scheme (FSCS)

26.1 The following information summarises the main provisions of the Financial Services Compensation Scheme (“the Scheme”), which are relevant to home finance (mortgages) advice and arranged on or after 31 October 2004. Building societies, and other participants in the Scheme, are under a legal obligation to provide information about the Scheme to any actual or prospective borrower.

26.2 The main area of mortgage advice that may give rise to a claim falling within the remit of the FSCS relates to the suitability of the advice given by Society staff regarding the customer’s circumstances at the time of arranging the mortgage. For example:

- if the customer was not advised about the different types of mortgage available and lost money as a result;
- if the specific details of the mortgage chosen were incorrect and the customer lost money as a result;
- if the customer was advised to switch mortgages but was not given an adequate explanation of why a switch should be made, and lost money as a result.

FSCS can only pay compensation for actual financial loss.

26.3 The rules covering the Scheme are very detailed and this leaflet does not cover every aspect of the Scheme’s operation. Information about the operation of the Scheme is available on the FSCS website at www.fscs.org.uk.
