In some circumstances customers will be required to pay tax on interest earned please contact HMRC for further information or view their website: <https://www.gov.uk/apply-tax-free-interest-on-savings>. The tax information provided is based on our understanding of current law and HM Revenue & Customs practice, both of which may change.

<sup>1</sup>Gross rate of interest is the interest rate payable before any income tax is deducted (if you do pay tax).

<sup>2</sup>AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.
